Hello Ken. Thank you for the clarification. I'll work on the Bradford Island Managers meeting and hopefully we can receive a status update on the NPL listing from Wally Moon during that meeting.

Regards,
rose

At this point all requests for NPL listing updates will need to go my supervisor, Wally Moon. He is inclined to wait until we have further information from our Headquarters office since we don't have much of an update at the point. Perhaps the managers meeting, depending on when it is scheduled, would be a good time to provide the update.

Hello Ken -

Leah was covering for Richard Whitman for a couple of weeks, so I was giving her time to get caught up with her regular duties. I plan to send a doodle poll early next week to schedule the next Bradford Island Managers meeting.

In regards to participating in EPA's update on the Bradford Island NPL listing, yes, I am available and cc'd other YN representatives that would also be interested in the update if available. Will you be sending a calendar invite?

Thank you very much for including us in this update.

Hello Rose,

I was wondering if any progress had been made regarding the scheduling of the next Bradford Island Managers meeting. While the managers meeting is being planned, Paul Seidel and Bob Schwarz at DEQ have requested an update on the status of the NPL listing, suggesting this Friday after 2 pm. Would this timing work for you?

Thanks, Ken

Hello Sean / Ken -

A Bradford Island Managers call will likely be arranged soon, our last group discussion was in October 2019. Who within EPA management should receive information about this upcoming discussion? Sheryl Bilbrey participated in a couple key discussions with this group.

I'll be sure to include both of you in the planning for the meeting.

Thank you,
rose

Hello. It has been more than 6 months since our last Bradford Island Managers discussion. I recommend a quick check-in and followup on:

- Highlights of current site activities;
- Status of the NPL listing; and
- Status of the MOU

If Eric and Leah would like to discuss / coordinate a meeting (as indicated below) for later this month that would be great. Otherwise, I am happy to send out a doodle poll.

Thank you,
rose

Hello everyone,

I had said I would send out next steps/action items, so I apologize that this is delayed. Here are the next steps:

1. Meetings:

- a. We decided the TAG meetings would continue on a monthly basis.
 - b. We decided the manager meetings would continue on a quarterly basis. Eric (ACE) to coordinate and/or coordinate with Leah (ODEQ) first.
2. MOU:
- a. Everyone needs to look at the MOU and determine if it is signable before the next managers meeting. Please coordinate with your respective counsel for your recommendation.

Anything I missed?
